Latest Revision 01/14/2011

TEXT OF STANDARD**Subchapter:** III. Performance Measures

A. Goal. The goal of the Secure Felony Placement Fund is to reduce delinquency, increase offender accountability and rehabilitate juvenile offenders through a comprehensive, coordinated community-based juvenile probation system.

B. Program Objective. The objective of the Secure Felony Placement Fund is to increase the resources available for juvenile probation departments to place felony offenders into post-adjudication secure correctional facilities as a diversion from commitment to the Texas Youth Commission (TYC).

C. Program Performance. Grantee performance under this grant shall be determined using the following measures:

1. Total number of placements made utilizing funds from this grant.

COMMENTARY**Discussion and Interpretation:**

The overall goal of this grant is to reduce delinquency, increase offender accountability and rehabilitate juvenile offenders through a comprehensive, coordinated, community-based juvenile probation system. This goal is the standard goal of all Commission grants and is not monitored independently.

The program objective for this grant describes the purposes and main functions of this grant and shall be monitored based upon the individual program performance measures discussed below. Performance measures will not be monitored during on-site monitoring visits. Performance measures on all grants will be calculated by the Commission after the end of each fiscal year.

Program Performance

Program performance will be assessed using the performance measure outlined in Article III Section C. The Commission will calculate this measure based on information submitted by the Grantee in the Application for Placement Funds, in the Secure Felony Placement database maintained by the agency and in the monthly extract data.

The performance measure will be calculated as described below:

Performance measure one (1) calculates the total number of placements made utilizing funds from the grant. A placement is considered a unique event in which a juvenile is admitted to a secure post-adjudication placement facility. One juvenile may be placed more than once during the grant period. Each admission to a secure post-adjudication facility will be considered a unique placement event for the performance calculation.

Reviewer Guidelines:

To determine Grantee's compliance with this grant provision, the Reviewer shall:

1. Review and verify information submitted by the Grantee in the Application for Placement Funds; and
2. Compile data entered into the Commission's Secure Felony Placement database to calculate the following for each fiscal year of the grant period:
 - a. Total placements made with grant funds.
3. Verify that all juveniles placed with grant funds have been reported in monthly extract data.

Verification Documents:

1. Application for Placement Funds
2. Secure Felony Placement database
3. Monthly extract data

METHODOLOGY**Compliance Methodology:**

Performance measures are calculated by the Commission using data provided by the Grantee and are reported at the end of each fiscal year in the grant period. Appropriate mathematical calculations and statistical analysis tools are utilized by the Commission in the calculation methodology for each grant.

TEXT OF STANDARD**Subchapter:** IV. Programmatic Components

C. Aftercare. The Grantee shall provide aftercare to the juvenile according to the individualized aftercare plan until the period of probation ends or for a minimum of 90 calendar days after the juvenile exits the facility.

COMMENTARY**Discussion and Interpretation:**

This grant provision will be monitored via an on-site monitoring visit and shall be monitored on an ongoing basis throughout the grant period.

Aftercare Services Plan

This grant provision requires the Grantee to provide aftercare services to the juvenile for 90 calendar days beginning the day after the juvenile is released from the facility. The Grantee shall complete the Aftercare Services Plan in its entirety. If a juvenile is approved for grant funding, an Aftercare Services Plan shall be submitted to the Commission no later than 15 calendar days following the release of the juvenile from the post-adjudication placement facility. The mandatory parties that shall participate in the development of the plan on or before the day the juvenile exits the facility are the juvenile, the parent, guardian or custodian of the juvenile and the supervising juvenile probation officer. The Aftercare Services Plan is available on the Commission's website in Microsoft Word and Adobe Reader PDF formats. Below are the key areas of the form:

1. County number
2. County
3. Juvenile's PID number
4. Date the juvenile was released from placement
5. Last day of funding

Goal/Need

The parent, guardian or custodian of the juvenile shall provide input to the Aftercare Services Plan. This plan shall list any needs of the juvenile and family that have been identified by the juvenile probation department and/or the placement facility. The plan shall list the interventions or tasks planned to meet those identified needs as well as the person or persons responsible and the anticipated time frame for the interventions or tasks.

Participation and Distribution

The Grantee shall enter the dates that each party participated in the development of the Aftercare Services Plan and the date copies were received by (i.e., date of personal delivery) or mailed to the involved parties.

Plan of Contact

The Grantee shall check the appropriate box (i.e., yes or no) to indicate whether the juvenile probation officer will maintain contact with the juvenile and family on a weekly basis. If the juvenile probation officer does not plan to maintain weekly contact through the required period of aftercare, he or she shall explain why and indicate what the frequency of contact will be. The Grantee shall indicate whether the parent, guardian or custodian of the juvenile has agreed to comply with the plan of contact with the juvenile probation officer. If parent, guardian or custodian does not agree to comply with the plan of contact, the Grantee shall explain why.

Signatures

The juvenile, the parent, guardian or custodian of the juvenile and the juvenile probation officer responsible for the case shall sign and date the Aftercare Services Plan on or before the day the juvenile exits the facility. If any of the mandatory parties refuse to sign the Aftercare Services Plan, the Grantee shall document the reason in the space provided at the bottom of the form to be reviewed by the Commission. Failure to complete and secure signatures from any of the mandatory parties will risk non-payment of outstanding requests for payment under this grant.

TYC Commitment

The juvenile probation officer assigned to the case shall sign and date the form in the appropriate box. The Grantee shall submit the form to the Commission no later than 15 calendar days following the commitment of the juvenile to TYC.
